This EULA contains important information governing your use of all of the Software distributed or delivered hereunder. "Software" means the 2PASS Application provided to you hereunder. By downloading, installing, copying, or otherwise using the Software, you confirm that you have read and understand this EULA and at the same time completely agree to be bound by its terms. If you do not agree to the terms and provisions of this EULA, do not download, install, copy, or otherwise use the Software.

If applicable, if you have already paid for this Software and do not agree to the terms and conditions of the EULA, please return the Software and any accompanying items to Software Producer or the place of purchase for a full refund, if applicable, within thirty (30) days of the date of purchase. At no point does the end user purchase the 'software'.

3. Grant of License

Subject to the terms of this EULA and any other license terms attached to this EULA that may be applicable to third party software included in the software as provided for in the software notice, software producer grants you non-exclusive and non-transferable (except as set forth in this EULA), license to use and install a single user copy of the software, in object code format, on a compatible device as identified in the software documentation, solely for your internal or personal use on such compatible device and not for access or use by third parties.

You must reproduce on any copy all copyright notices and any other ownership, confidentiality or proprietary legends that are on the original copy of the Software and accompanying Documentation, and you may make only one copy of the Software solely for backup or archival purposes, provided that such backup copy is not installed

on any computer or other compatible device. This means that by accepting the EULA you agree not to sell, share, distribute or sublicense the software. You may not reverse-engineer, decompile, or disassemble the Software, or otherwise reduce the code of the Software to a human perceivable form, except and only to the extent that such activity is fully and unequivocally permitted by applicable law, and in such event you shall provide Software producer prior notification of such activities. You may not alter or remove any of Software producer's trademarks affixed to or otherwise contained on or within the Software and associated Documentation. You may not use the Software in any way to provide commercial services or applications. You may not copy, market, distribute or transfer copies of the Software to others, including without limitation by electronic transfer means, from one computer to another over a network except for Software installations permitted under this Section.

You may not rent, lease, or lend the Software. You may not modify, adapt, translate the Software or create derivative works based on the Software. All rights not expressly granted to you in this EULA are reserved and belong to Software producer and its suppliers.

4. Termination

Software producer without further action upon the breach of any of your obligations under this EULA or other agreement with Software producer may terminate this EULA. Software producer can terminate the end users license without providing a notice period. Upon termination, all use of the Software by you must cease and all rights granted to you under this EULA are terminated. Upon termination, you hereby agree to return to Software producer or to destroy all copies of the Software in your possession or control within fourteen (14) days of such termination and upon request, certify the same in an affidavit to Software producer or its third party suppliers.

All rights, title, and proprietary interest in and to the Software (including, but not limited to, any patents, trade secrets, trademarks, copyrights, images, photographs, animations, video, audio, music, text, software code and "applets" incorporated into the Software) and all copies of the Software are owned by Software producer. Copyright laws, international treaty provisions, and other laws protect the Software. An act in violation of this EULA may also be a crime punishable by fine or imprisonment under applicable law. You understand that Software producer may update or revise the Software in its sole discretion, but has no obligation to furnish any Software updates or revisions to you.

6. Export Restrictions

You agree to comply with all laws applicable to your use of the Software. You further agree that you will not export or re-export the Software, any part thereof, or any process or service in connection with the Software (the foregoing collectively referred to as the "Restricted Components"), to any country, person or entity subject to export restrictions. Should you desire to ship, transfer or export into any country the Software and its accompanying reference materials, it shall be your responsibility to obtain all consents and licenses as may be required from time to time under the relevant laws, restrictions or regulations that may regulate such export.

7. Disclaimer of Implied Warranties and Duties

To the extent permitted by law and except as set out in the section "limited warranty" below, software producer, its suppliers, and distributors provide the software and any (if any) support services related to the software ("support services") without any given express warranty, and the software and support services are provided "as is" and "with all faults". Software producer hereby disclaims all implied warranties, including, but not limited to, any implied warranties of merchantability, eligibility and usability for a particular purpose, non-infringement, title, or that the operation of the software will be accurate, virus-free, and secure or will correspond to any

documentation. Some states do not allow exclusions of an implied warranty, so the above exclusion may not fully apply to you, and you may have other rights that vary from state.

8. Limited Warranty Remedy

Software producer's sole obligation, and your exclusive remedy, under the limited warranty set forth in this Section shall be, at the sole discretion of Software producer by its choice to supply you with a corrected or replacement copy of the Software or a refund of all amounts that Software producer or its third party suppliers has received from you for the subject Software provided under this EULA.

Software producer does not warrant that the Software will be resistant to all possible efforts to defeat or disable its functions, including its security mechanisms, and Software producer shall not incur, and disclaims, any liability in this respect. To the maximum extent permissible by law, Software producer shall not be held liable for any third party actions and in particular in case of any successful effort to defeat or disable security functions of the Software, or computing devices and equipment using, accessing or incorporating the Software.

No oral or written information or advice given by software producer, its dealers, distributors, agents or employees creates and generates a warranty and you may not rely on any such information or advice.

9. Exclusion of Incidental, Consequential and Certain Other Damages

To the maximum extent permitted by applicable law, in no event shall software producer or its suppliers or distributors be liable for any special, incidental, indirect, or consequential damages whatsoever (including, but not limited to, damages for loss of profits, loss of goodwill, loss of opportunity, loss of revenues or confidential or other information, for business interruption, or loss of privacy), or any loss to you not reasonably anticipated on entering this agreement, arising out of or in any way related to the use of or inability to use the software product or otherwise under or in connection with any provision of this eula, in tort (including negligence), strict liability, breach of contract or under any other legal theory, and even if software producer or any supplier has been advised of the possibility of such damages. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations may not apply to you.

10. Limitation of Liability and Remedies

Regardless of any kind of damages that you might incur for any reason whatsoever (including, without limitation, all damages referenced above and all direct or general damages), the entire liability of Software producer under this EULA and your unique right to compensation for all of the foregoing is limited, if applicable, to the amount actually paid by you, for the Software but no more than twenty Euros (EUR 20), by middle rate by National Bank of Republic of North Macedonia (max. amount), depending on which that amount is higher. The foregoing limitations, exclusions and disclaimers shall apply to the maximum extent permitted by applicable law, even if any remedy fails its essential purpose. You hereby waive and forever release Software producer from all and any claims in excess of previously quoted maximum amount.

11. General Provisions

This EULA contains the entire agreement between the parties with respect to its subject matter, and exceeds all prior or contemporaneous agreements or understandings (oral or written). This EULA is governed by and shall be interpreted in accordance with the laws of Republic of North Macedonia, without giving effect to any applicable choice of law principles. Any and all disputes, claims or legal proceedings arising hereunder shall be under exclusive jurisdiction of the Commercial Court of Skopje, Republic of North Macedonia.

The United Nations Convention does not govern this EULA for the International Sales of Goods, the application of which is expressly excluded. This EULA may not be modified except by a written addendum issued by a duly authorized representative of Software producer. No provision of this EULA can be waived unless such waiver is in writing and signed by a duly authorized representative of Software producer. Software producer may conduct an audit of your relevant records and computer systems to verify compliance with this EULA. If any part of this

EULA is found to be unenforceable or void, the remainder that part shall be limited or eliminated to the minimum extent necessary so that the remainder of this EULA shall otherwise stay valid and enforceable. You may not assign this EULA and any purported assignment is void.
